

The McKenzie Police Department is reaching out to each neighborhood in our corporate limits to help any group wishing to establish their own Neighborhood Watch Program.

A Neighborhood watch Program can be very beneficial to your neighborhood as well as help your community be a safer place to live. Neighborhood Watch Programs have been proven to be very effective in the reduction of crime, a better quality of life, a greater sense of security, responsibility and personal control, building community pride and unity, helping others and ourselves in our community, providing law enforcement agencies with volunteer support year round, and becoming the extra “eyes” of law enforcement personnel and therefore reduce law enforcement’s burden through prevention and interaction.

Anyone seeking to start their own Neighborhood Watch Program is urged contact Administrative Sergeant Kim Barker at the McKenzie Police Department for help and assistance in developing and establishing their own Neighborhood Watch Program. Sergeant Barker can be contacted at the McKenzie City Hall during regular business hours of 7:00 A.M. – 3:00 P.M. or by telephone at 731-352-2265
